Lisa,
It's been fun
having you in the
same Spanish class
this year. Have a great
summer and hope
to see you next year.
Don Weise

To Lisa
it has been
fun with
you in my
class for the
year, hope
you are in
one of them
next year.

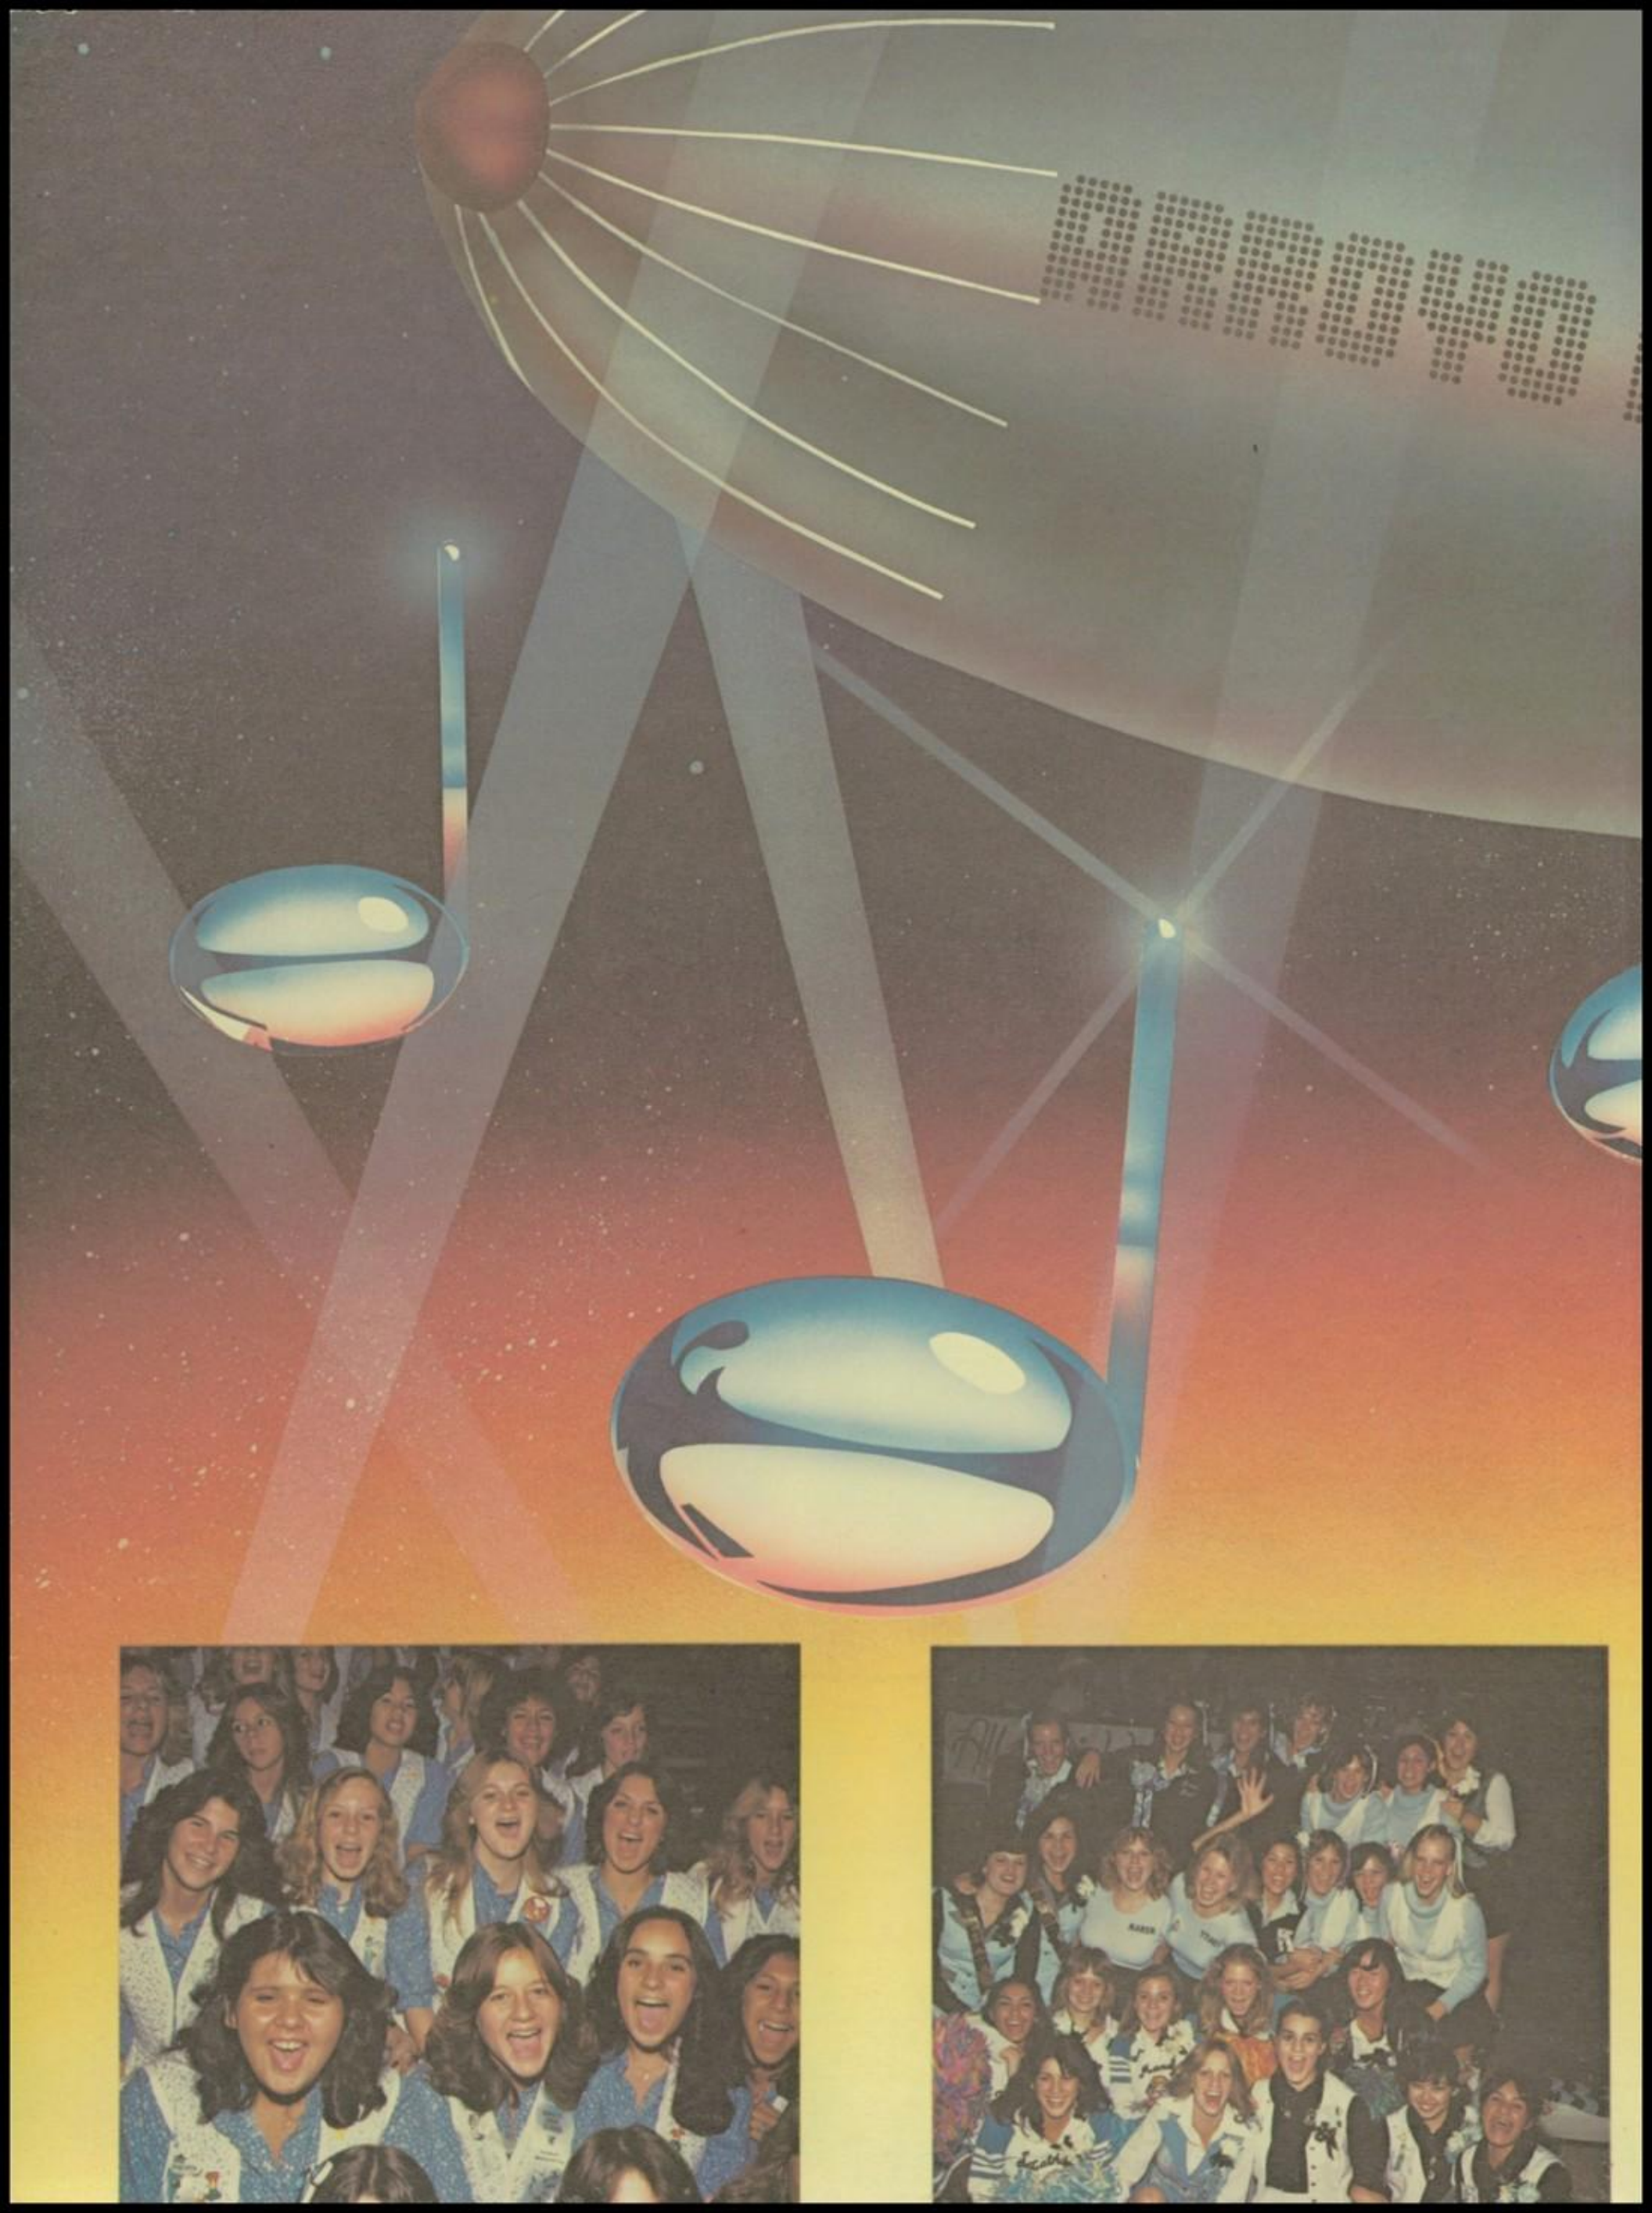
Lisa Kid,
You must
be a very
strong-willed
person because
you've sat
behind Chris
for an entire
year and
you're still
halfway normal
Have Fun,
Lou
Lisa ☺

Hey, this is the wild and crazy year of 81. This is the Wolfman and I am here to take you through this year-over sensation. We're gonna jam right through the "Intros" and grove on through the "Hit Parade".

Eighty-one is a hot year, so kick-back, turn up the sounds and listen to the hip rhythem of "The Seniors", "The Undergrads", "The Teachers", "The Sports", oh yes, and don't forget that spirited new sound from "The Knights".



"On a more (burrr) serious note, (ringing) It's now (whirrr) my distinct pleasure (pop) to introduce the world famous (bang) Arroyo Knight. (Da Da)!

"The Knights' Spot" shows class
in which our school will never be
surpassed.

Lisa.

The Knight brings pride
as he takes his ride.

He keeps our spirit in tact.
He's there when we're high,
he's there when we're low.
He's our inspiration,
When battling our foe.

So without further ado,
We'll introduce him to you.

HERE HE IS . . .

June '81

To Lisa,
Nice meeting you this year! It has been a wonderful year. See you next year!
Your friend,
Cristina Aguirre

P.S. Have a nice summer!

This year at Arroyo, we're living on borrowed time, but everybody wants some so let the good times roll, and whip it! Are we not Knights? Roy O. is comming at you and we're on the highway to eighty-one and it feels so good. Stay awhile; this isn't just another cheap trick, maybe this year will form a legend.

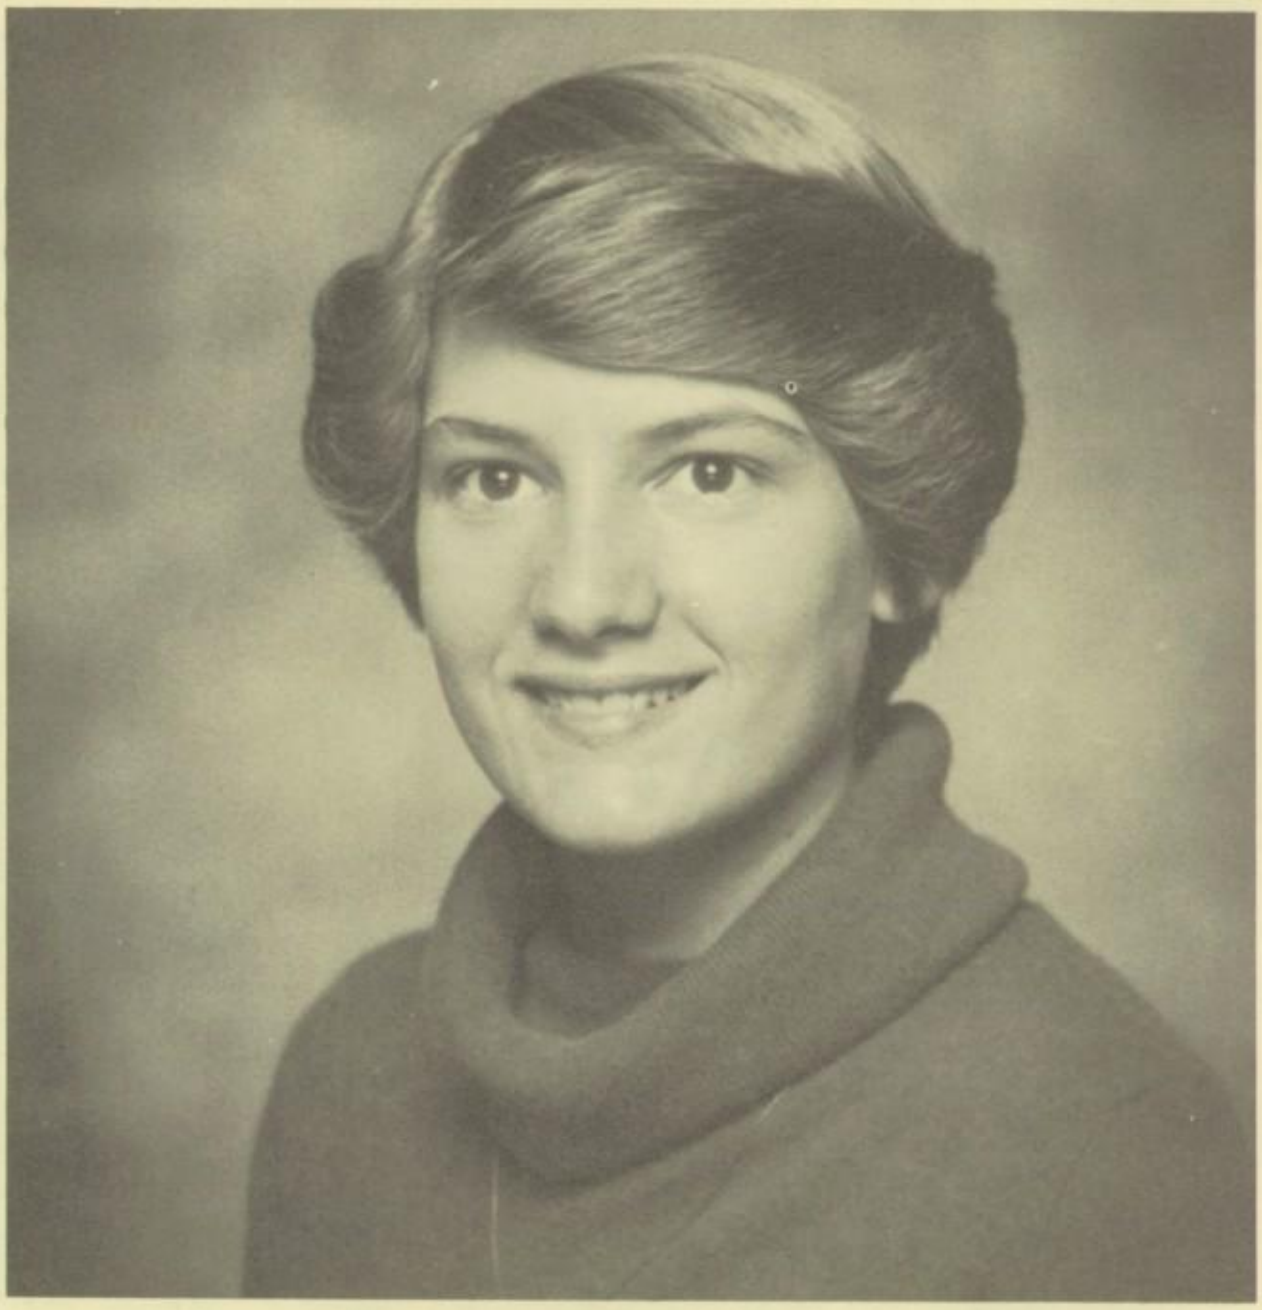
GIRLS STATE



1980 GIRLS STATE - Karen McConnell

I didn't know what was in store for me when I was told I was selected to attend California Girl's State. As the date got closer for me to leave, I was so nervous I was ready to call my alternate and tell her to pack her bags, she was going instead of me! Once I arrived, my whole view of the situation changed instantly. There were 528 girls there I had never met and we all had the same feelings.

My stay at Girl's State hold many memories that will stay with me forever. 528 girls I had never met, soon became my friends for life. I had a great time and learned a lot about our State Government and just how much of a difference one person can make. One thing was always made clear! Don't be affraid to try anything, or speak up for what you feel, everyone is very important.

I would like to thank Mr. Leal Genung, Mrs. Katherine Trepp, and The American Legion Auxilary Post 261 for making it possible for me to be a part of the 1980 Session of California Girl's State. Also, good luck to the 1981 Girl's Stater.

Sincerely,

Karen McConnell

FALL ASB

My Term as president has been an enjoyable one. The commission had its good as well as its rough times. Overall, they prove themselves to be a Top-Rate organization. I would like to express my sincere appreciation to the faculty and staff that made my job much easier. The friends and times spent at Arroyo High School will always be remembered. In closing, I would like to wish my fellow classmates the very best in all that they may do. Take care and God Bless.

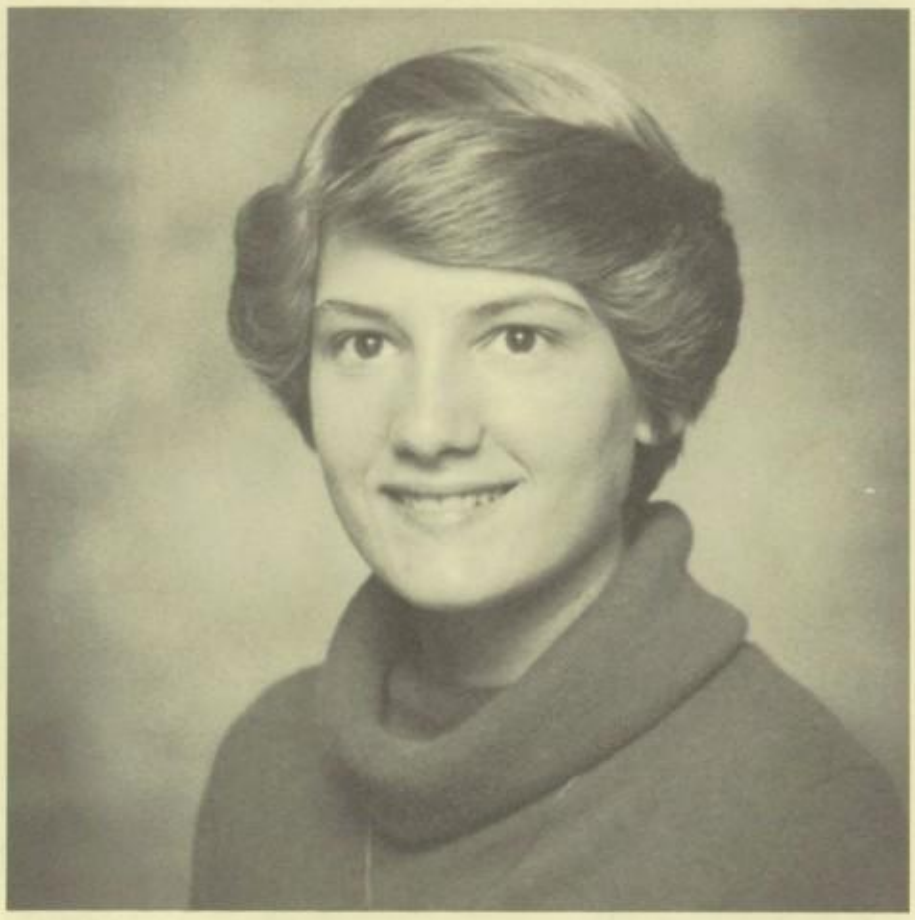
SPRING ASB



My four years at Arroyo have been very exciting and memorable ones. Part of my memories will be serving as Student Body President. Being A.S.B. President was a goal I set for myself as a Freshman. With the help of friends, family, and administors, I made it.

There are a lot of good things happening at Arroyo all you need to do is be a part of them and become involved. If you want something out of life you have to put something into it . . . "The man who usually wins, is the one who thinks he can."

I want to thank my family, friends, teachers, and administraters who have supported me through my years at Arroyo. I couldn't have done it without them.

Good Luck to the Class of 1981.

Love,
Karen McConnell

DREAMS

We all have dreams. Some of these dreams are purely fanciful, just wishful thinking like imagining ourselves as movies stars. In these kind of dreams we are standing too far away from the target: our chance of success are very slight. In other dreams, we are standing to close to the target. A student who sets his or her sights no higher than a C - is hardly seeking a new challenge. What we need to do is find a dream we can reach for; one that we have a good chance of realizing if we are willing to invest some time and effort.

Columbus, Edison, Ronald Reagan, and many other great people were dreamers, but they rose above the realm of ordinary people because they reached for their dreams. We all have dreams. But why just dream when we can act? Why merely imagine great things when we can accomplish them? "If you build castles in the air," advised Thoreau, "Your work need not be lost; that is where they should be, now put foundations under them." Accept the challenge to refine the crude ore of your dreams into 14 carat golden reality. Set your sights high. Leonardo DeVinci watched a moth flutter into a candle flame and imagined the creature as saying, "Oh false light! If my desire was to see light out I not to have distinguished the sun from the false glimmer of dirty tallow?"

Learn to reject the "false glimmer" of worthless dreams and choose, instead, noble and uplifting goals. Activate your talents. Be confident and persistent. Reach for your dream. It's closer than you think. God Bless.

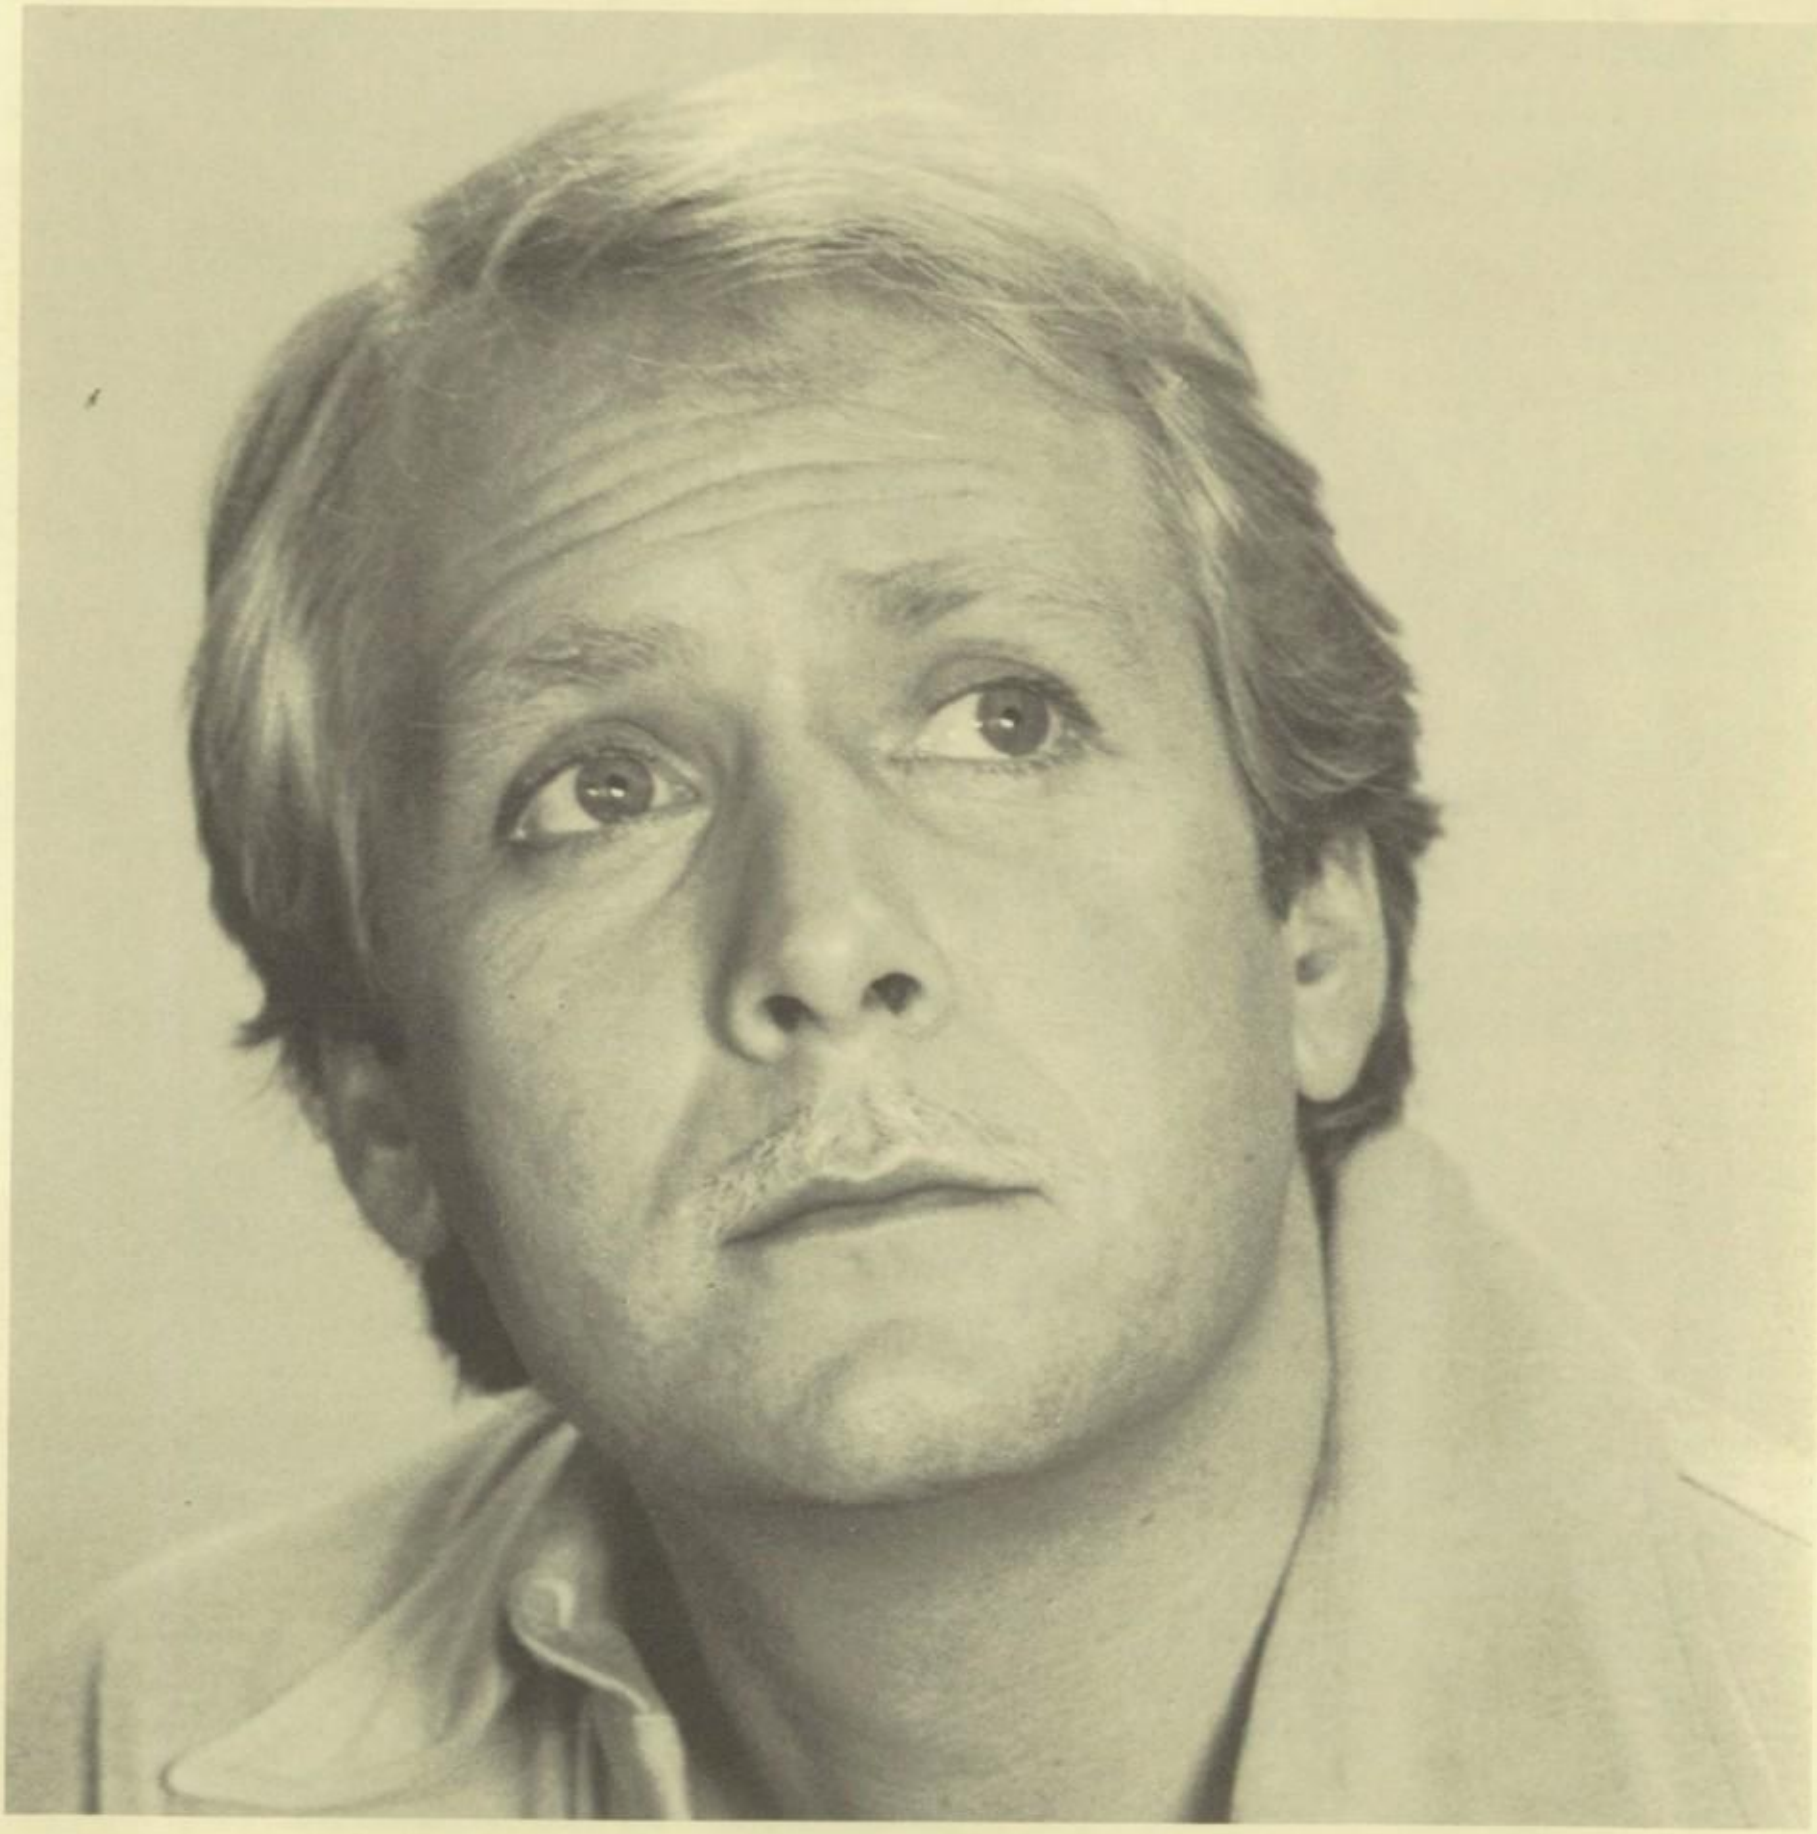
. . . Hey — Thanks for those wonderful morning announcements. It's 9:12 Here at K.A.H.S., and welcome back to the Miscellaneous Show.



Well, Roy, is here and we're just about ready to sing our final song. But before we do, lets get together in the index and sing along with odes . . .

MISCELLANEOUS

FOREIGN EXCHANGE

I think my year at Arroyo High School as an A.F.S. exchange student from Cusco, Peru has been a good and different experience for me. I have made new friends of students and teachers. I will remember them all my life. I will also have good memories of my home and host family, the Kings, in this country.

I desired to come to the United States to experience different cultures. My 10 months have been interesting and educational.

When I return to my country, I know I will often reflect on my year in the United States. Thank you everybody, for being wonderful people and for being so nice to me.

Love,
Julieta Carpio Muniz

Last summer I had the terrific experience of living with two families in West Germany, as an A.F.S. student. Both of my families were so kind to me as they introduced me to a new culture and way of life. Germany was a beautiful country with many picturesque towns and villages. I had the opportunity to go to two different German schools, learn a little bit of German language, and made many new friends.

This has been an experience I will always remember and I'd like to thank my family, and the Arroyo A.F.S. Chapter for making all this possible.

Tschus,
Wendy Stowell

FOREIGN EXCHANGE

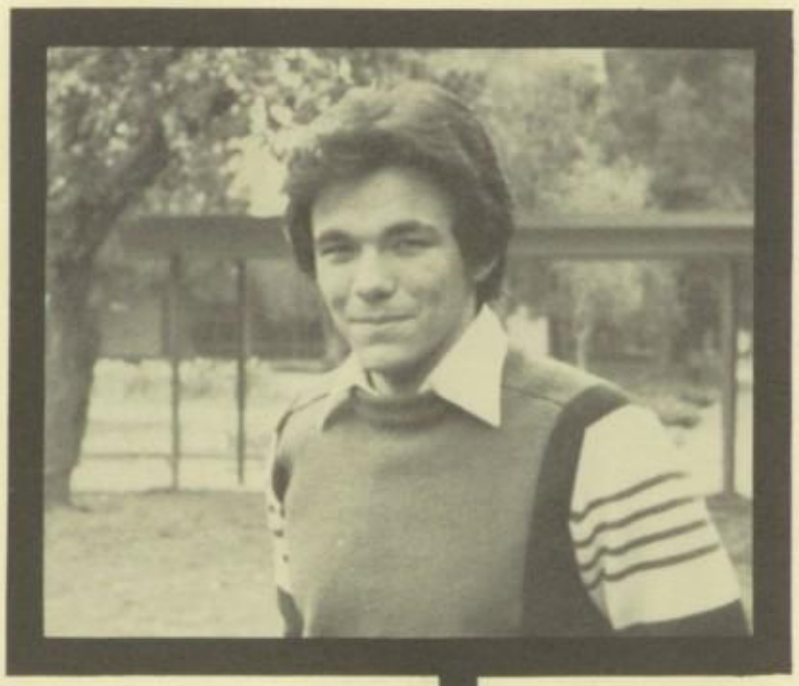
As an A.F.S student, I spent one great year in America. It is a wonderful opportunity to meet many people and to discover their culture.

Arroyo High School is fun. I had a pleasant time with friends and teachers. Also I would like to thank them for helping me.

I think I was very lucky having a very nice family, the Worrells. I believe this experience and all the memoriws will always stay in my mind.

Love forever,
Deniz

Turkey



I went to Finland last summer for 10 week as an A.F.S exchange student. I stayed in a city called Sotkamo and lived with the Suvikas family.

Finland is a spectacular country of forests and lakes-a very beautiful and scenic country. The Finns are very warm and sincere people. The time spent there made me more aware of myself and the world around me.

I would like to express my appreciation to my family in Finland, the Arroyo Chapter, and everyone else who helped make my summer possible. But most of all I would like to thank A.F.S. for giving me a family in Finland, friends around the world, and the best experience one can ever hope to obtain.

God Bless,
Carlos Bohon

RETIREES

Throughout its entire history the Arroyo Student Store and Louise Cushing have been synonymous. Twenty-five years ago she established the store. This spring her retirement ended many services she has performed for students, faculty, and staff. In addition to the many duties she has performed, she has been a major part of the Arroyo educational effort in training over 200 students who have worked in the store and learned from her how to be efficient salespeople and clerical help. Because of her sympathetic nature, many students over the years have turned to her for help with their personal problems.

The personal touch that Mrs. Cushing brought to the school has always been evident. Her warm smile and willingness to help faculty and students alike will be missed. "Ask Louise, she'll know what to do," has been almost a stock phrase among the faculty for 25 years.

Her efficiency, warmth and charm will surely be missed. We wish her a very happy retirement.

ODE

The clock ticks away as I think of rhymes
To help us remember about the good ol' times.
I tried to avoid that first day at all cost,
People were complaining and Freshmen were lost.
School is exciting, don't you think so?
We're back enthusiastic, and ready to go.
School has begun
and everyone has work to be done.
The students are to learn while the teachers are to teach,
But I think we all would rather be down at the beach.
There are new faces on the Arroyo scene,
Make them at home, we're not all very mean.
A brand new idea to make I.D.'s slicker,
Shell out nine bucks for an A.S.B. sticker!
Teachers give us work, never let us play,
They're killing us slowly; six hours a day.
This is the year in which Mr. Pope was married,
Over, the threshold, his bride was carried.
Tardies were many, and attendance was low.
After 3 tardies to the office you would go.
With the starting of school come junkmail galore,
For the seniors who will soon have the world to explore.
On September 25th, all Zepplin fans cried.
The greatest rock drummer, John Bonham had died.
First period art sure is not fun,
Well, at least all of our homework gets done.
Being tardy to class is really sad,
If I get one more tardy, I'll be had.
A new rule's out on offensive togs,
So we bid ado to Mr. Zogg's.
No more dirty T-Shirts, Mr. Fox did decree,
No evil to speak of, to here of, or see.
The smog has been here for 4 long days,
October has brought us this eye stinging haze,
The Cross Country team is really hot,
Other teams try to beat them, but they can not.
Cross Country is back on track,
They came in 2nd at Saddleback.
Arroyo Cross Country won the league in all three,
They ran like a tiger and stung like a bee!
2nd in C.I.F. Wow! What a thrill,
But I bet Coach O'Rourke hasn't had his fill.
#1 in the M.V.L. he's as fast as a Datsun,
Who could it be... None other but Ron Johnson.
The Broken phones caused quite a fuss,
And all of the faculty blamed them on us.
A new club on campus is called the "Fine Arts"
With Miss Sprude as the sponsor, they'll do their parts.
We're doing the best that we can in each class,
Hoping and praying that somehow we'll pass.
Big Blue forced a play-off, from three games below,
By at last sweeping Houston, three in a row.
It's 2nd place for Lasorda's team,
The odds were against the impossible dream.
It starts to rain as the Heaven's cry,
It's 2nd place for the "Big Dodger in the Sky."
Getting up in the morning sure is a drag,
Saturday and Sunday comes just when we lag.
Irish Spring, it gives the power!
Is that why Scott writes his odes in the shower?
They say this school doesn't have any spirit,
Come on Knights and lets really hear it!!!
Cherokees for girls are the only shoes to wear,
But my whole pay check couldn't buy one pair!!
Today punks are here to replace the Disco freaks,
And we'll probably have a new fad in the comming weeks.
I really don't go for any of that other junk,
My favorite music is rock and punk.
Punk rock is the newest wave,
Any thing old, wierd, or crazy, you should save.
"Another One Bites the Dust" is the latest craze,
But we all know it's just another faze.

Our Foorball team lost to the Tigers of South Pas.
Those big linemen were a pain in the _____.
Cheerleaders sold cushions at the games this year,
For an aid to the parents to soften their rear.
The Sophomores were far behind repeated Coach Kynie,
But they pushed and they pushed until the Vikings didn't shine.
As the brushfire siege dies away,
Many Californians are left with nowhere to stay.
Coach Tennis was on "Family Feud,"
Everyone yelled, except the other team, they booed.
Senior Conferences are finally here,
I don't think "little Johnny" will tell about the beer.
There's a brand new club on campus this year,
It's called Fine Arts and it full of cheer.
The L.A. Fair is back in town,
This year it really looks run down.
If you play, you have to pay,
It costs $254,000 to raise a kid today!!!
School work is fine for those who care,
But tardies and parties give more to share.
Monday morning there seems to be the most tardies,
It's probably because of those wild weekend parties.
The "Pops" Concert was at Rosemead this year,
Yes, It's a first but everyone could still hear.
A teacher asked about "Divine Power"
I thought he was talking about the Bugs Bunny Hour.
Mr. Henneforth is the world's best teacher,
His lectures are as convincing as a Baptist Preacher.
Mr. Vice knows his English, he's on top of the road,
I'll bet you right now he's correcting the ode!!!
Is Mr. Riggio mad? Could it be?
There should be no question - he teaches psychology!!
The first 6 weeks are almost through,
I really enjoyed them, how about you?
Halloween dress-up was a big hit at school,
Some of the costumes were really cool.
The school was very different on Halloween Day,
Seeing ghosts, goblins and devils, put the teachers away!
Thanksgiving is coming with turkey and pie,

We will stuff our faces and give a big sigh.
Vince Ferragamo won the Quarterback debate,
If Pat is good, Vince is great.
Did Mom and Dad ground you, Oh what a shame,
I guess we won't see you at the next Foorball game.
Homecoming princesses are waiting for the big day.
Who knows who the queen is - no one will say...
All the requirements fit just right,
As Joanie was crowned on Homecoming night.
Although our float stalled, we still had fun
Because at Homecoming the Jr. Float was #1.
We lost the Foorball Homecoming and that brought a tear,
But don't feel bad there's always next year.
"Dallas" has become the number one show
Who shot J.R. everyone wanted to know.
It's a fight to the finish with Iran and Iraq,
It's time somebody gave Iran a little of it back.
Don't yell names at the boys in the band,
That was Coach MacKinnonós pre-game demand.
A few kids, off campus, at lunch time made trouble,
A "closed campus" threat should burst their bubble.
If you're absent you may receive...
A free pizza from guidance before you leave.
Get the school together that's what you hear them say,
Getting them all together that's the only way!!
Ali's comeback, a ripoff, a total disgrace?
Holmes puffed-up that "Pretty Face."
Muhammed Ali didn't make it to the 11th round
Now Larry Holmes has got the crown.
Ali's now to old to sting like a bee,
It's the old rope-a-dope, for an eight million fee.

Gas once again is on the rise,
I'd rather spend my money on a burger and fries.
The girls Volleyball team - What a shame...
They got enough wins, but not enough fame.
Varsity volleyball is C.I.F. bound,
They're playing Bonita in the very 1st round.
Xanadu, they say, is a fantasy place,
Where the people are free of the "Rat Race."
The floor is slippery the Capt. said,
The Pepsi Skateboard Team needed more tread.
Racing is fun when we don't get caught
But Jimbo was, now his license is shot.
She draws really well, yes Lisa's her name,
Her pictures are gorgeous, as they bring her more fame.
Scott's imitations only rate in the middle,
Although he thinks he's the new Rich Little!
Always seen together, is Geri and Tim,
They break up, but they always get back again.
Parties come and parties go.
But they tend to leave our minds thinking slow.
Some people get frightened to read our loud
Especially if their not following and their head's in a cloud.
Some Seniors are taking the S.A.T. test,
Now all we'll need is a money nest!
What happened to our rowdy weekend nights,
El Monte is dead, except for gang fights!!!
Thanksgiving brought us to much to eat,
I hope the basketball teams stay light on their feet.
Thanksgiving Day has come and passed
Now we are waiting for Christmas mass.
Sugar Ray's remarch with Duran,
Was nothing more than a money making scam!
Leonard and Duran fought once more,
Duran is a loser cause his tummy was sore.
That fool is mistaken, we'll show him the score,
Duran thinks the fans can be suckered once more.
8 million dollars he did gain,
Just think, all for a stomach pain.
Buffy is heard to be Tammy's best friend,
And her pinkland fantasy will never end.
Cooking day in foods we all do dread
Since we heard about Joanie's exploding bread!!
Senior resting in the Speech Arts has arrived
Wonder why Sefton won't let Will and Net sit aside.
Sammy's really creative some think it's neat,
I've about had it - lets hang him like meat.
Fourth period English sure is boring
But most people were kept awake by Ted's loud snoring.
Post time is near, Santa Anita's the place,
After we bet, we watch the big race!!
It's hard to find the right horse to choose,
So, some of us win and some of us loose.
Doctors say "Magic's out for the season,"
The Lakers are losing - maybe that's the reason.
Rocky Horror is still going strong,
And with its sequel, what could go wrong.
The T.V. ratings must really be bad,
Because all the new shows are really quite sad.
Dolly Parton has made a movie,
"9 to 5" is really a dusie.
The Star Wars saga continues and that's a fact
With Star Wars II, "The Empire Strikes Back."
The newest sex symbol is 16 years old,
Her name is Brooke Sheilds or so I've been told.
Punk Rock is the latest music around,
Blondies my favorite, they play a good sound.
Now the sounds are: Punk, Rock, New Wave, and Disco
But who lives on? Rock steals the show!!
I saw the Pasmadics on Fridays last night,
When they said they were weird they were right!
Country fashion brought hats and boots,
It's bringing the nation back to its roots.
The fight between Rock and Disco is at an end.
I Guess disco just couldn't keep the trend.
The Bruin went to Tokyo Japan
To beat Oregon State for all the fans.
Mr. Fox is lucky, his wife has such faith'

For the playboy bunnies surrounded him on
December 8th.
The Ex-Beatles Lost their head member
John Lennon was killed in December.
The Cheerleaders Started passing Kriskringles around,
The notes attached to them were really profound,
Everyone is talking about the Christmas Ball
It's being held at the Arcadia Masonic Hall.
The Christmas Ball did come along,
Thanks to the firecrackers the lights stayed on!!
The best of christmas time, besides the cheer
Is the break from school and the New Year
Christmas Day with bells and holly
Was a time to share and be jolly.
Christmas came and Christmas went,
All of our money was easily spent.
Michigan finally won at the Rose Bowl,
But if they played U.S.C. they would have been in
the hole.
The New Year came with a boom and a bang,
"Out with the old" we all sang.
Many Arroyo students went to the Rose Parade,
The golden stuff they were drinking wasn't
lemonade!
The New Year has come with laughter and cheer
Or, maybe it was because of all that beer.
Vacation is over and Christmas is passed,
Now 1980 is over at last.
On Coach Sefton's birthday cake did appear,
There was milk also, instead of beer.
Mr. Sefton wants tweezers for team members in
need,
Golden ones to add class to the dreadful deed.
At basketball games the people are out of their
seats,
The Arroyo team makes sure the other team gets
beat.
The Arroyo Knights have the power,
To put the Rosemead Panthers in the shower.
The first win of league was at Rosemad High
When we were through they were left high and
dry.
Arroyo Basketball is by far the best,
Other teams just don't seem to pass our test.
J.V. Basketball is in first place now,
Let's give them a cheer and let them take a bow.
Scott portrays Coach Sefton like a number one ace,
If the coach only knew, he'd put Scott in his place.
This year..for the Presidential election
There wasn't much for a selection.
Mr. Carter debate? He always tells his foe,
I'm to hip, I gotta go.
The race is over and Reagan has won,
So let's see if things are going to get done.
Reagan says that a good president he will be,
When he gets in office we will then see.
Reagans swearing in has just begun,
O hope he runs the country better than the other
one's have done.
In his speech Carter shed Reagan well
But really, only time can tell.
President Reagan likes the job he desired,
Let's hope he doesn't get fired.
The era of renewal he wants to start,
If were lucky we'll all do our part.
It just doesn't figure to lower our rents,
Reagan raises gas up 13 cents.
Ronald Reagan has a bad left ear,
He turns to his right so that he can hear.
One year ago today the Embassy was sieged,
The Hostages will be released soon and we are all
pleased.
Iran, Iraq are asking for backing,
I think the world should send them packing.
Can you believe it, the 52 are free.
(I think it's time to tell Iran to climb a tree).
The Hostages are finally free,
It helped Carter leave office with a bit of glee.
The 52 Americans have finally come home,
Just in time to watch football in th dome.
Everyone cheered when the hostages were
released,
And they were overjoyed when they had their
Home-cooked feast.
When the 52 Americans came back they looked
much thinner,
So they went to West Point for a big Turkey dinner.
I don't believe my eyes or am I going insane,
Or is that wet stuff really rain.
The first rain has finally begun,
After many days of too much sun.
It's raining at last and the halls are wet,
There's lots of sliding you can bet,
Everyone seems to be sneezing,
Its probably because the weather is freeeezing.
Skiing is becoming a hit at last,
But be careful, don't end up in a cast.
5 months of school has really flown by,
Not to many think it was as easy as Pie.
Study, study, study is all the teachers say,
As finals are coming closer by the day.
Finals have begun so I can start a new,
Boy I can't wait until I am through.
Finals are over, but not for long.
In a few more months we will be singing the same
old song.
My semester grades were really bad,
Hope no one tells dear old dad.
Grades for the past semester have just been mailed,
We have to work harder because some of us failed.
Failing a class is really a bummer,
You have to make it up in the summer.
The computers messed up our report cards this year,
They should stop replacing the oil with beer.
Karen McConnell will now take Carlos' place,
You can see the excitement all over her face.
The swearing in of the officers is always a riot,
Its fun to listen to everyone mess up when they try
it
School and class rings just came out
Almost everyone bought them without a doubt
The bells were out, Yes tardies galore,
Mr. Quinns voice is nice but please-no more!!
Mr. White is getting crazy some people say
But me, I know he was born that way.
Ms. Pinola got married in the middle of the year,
We wish happiness and to her dear,
A dedicared player is Caryn, Oh lord!
When racing to practice a ticket she scored
Running at practice can be quite boring
But it helps in the game especially your scoring.
Pom Pom's are for sale once again this year,
Buying one is supposed to help you get up and
cheer.
Pep Rallies are fun especially when you say
1 hen, 2 ducks, up to 7,000 Masadonien soldiers in
full battle array!!!
At the Pep rally Paul and Scott disappeared
Questions from the D.J. is what they feared
Homecoming night soon will be
Who will be Queen? We will see!!
This isn't a disco dance Mr. Robbins kept yelling
For the homecoming tickets commision was selling.
The cheerleaders were out rather late
Putting up posters to help homecoming fate
Once again Homecoming week is here
This is the time for the old cheerleaders to cheer
At Basketball Homecoming this year
Lynnette was Queen, We all did cheer,
"Songs of America" was the Winter concert name,
Of the songs that were sung, many had great
fame.
"Saturday Night Live" has a new cast
But I missed the gang of the past,
Trashcans are painted with a circle 15
This is to help the campus stay clean,
Styles come and go so fast
Now their sneaking up from the past,
Designer jeans are a passing fad'
Now all you see are pleats and plaids,
Fads are poping up all over the place
I wonder if punk Rock can keep up with the pace,
Horror movies were sure a fad,
The two-bit ones were really quite sad,
Horror Movies! Horror Movies! That's all you see
That's why I stay home and watch T.V.
Shelly got hurt while playing at P.E.
Scratches ran up and down her knee.
The Guidance office got ripped-off last week
If the window isn't fixed the rain will leak.
Who are they going to get to guard it, the "Mod
Squad"?
Glendora High School is really a bore
That's why Mandy is at Arroyo once more!!
Valentines Day is getting very near
So you'd better get something for the one you love
dear,
Valentine messages are being sold
if your loving heart is bold.
Valentine's Day is a day of treats
Candy bars, Chocolate kisses and a lot of other
sweets,
Stickers on car windows are Mr. Robbins new rule
Forgetting them, meant parking outside the school.
We were all upset about the parking lot gates
Especially the pole, one could hit if late
Parking stickers became manditory this year,
And when Cindy took out the pole we all did a
cheer,
Nelson and Robbins stood out at the gate
to check for stickers to protect our cars fate,
While out in the back Noelte stood guard
a rope was tied and cars were barred,
Miss Ragusa has done alot with our band
Have a little respect and give them a hand.
The lancerettes are a hit with their new routine
The Made 1st place and I think that's keen
This year, Lancerettes did very well
They worked very hard for it, and we could tell.
The songs did a good job at Saddleback competition,
They got 5th place with hard work and ambition.
The Names of the 10 Knight's Lady Finalist were
announced,
Filled with enthusiasm they laughed and they
bounced,
Comming up is the birthday of Washington and
Lincoln
But all I can think of is the five-day Weekend.
The Track team can really run
That's probably why there number one!!
Some to the beach and some to the snow
Its Easter Vacation and here we go
I can't wait for Easter, We're out 5 days
I hope the beaches are sunny and not full of haze
The Backwards Dance (the theme has changed)
March 20th is the date (I hope that stays the same)
The ground Hog came up to find his shadow today
He couldn't find it so he went away.
I can't wait till schools over and done
So I can go to the beach and lay in the sun.
Excitement is high, and beach season is near,
Counselors dread all the truant's that their asked to
clear,
It's time for all seniors to get Call grants in
Waiting for an answer is like sitting on a pin.
Time sure does fly,
All the Seniors will soon say good-bye
Announcements, Cap and gown, Grad Night too,
Everyone is trying to get money from you.
Palm Springs is the place for Grad Night
From the looks of it now, the attendance is light.
So much has happened this passed school year
There were times filled with fun, laughter and cheer,
And let us not forget the lessons we were taught
Like when we fooled around and then got caught.
Our High School years go by so fast
Sometimes I wish forever they'd last,
So goodbye and good luck to the class of '81
You have to leave, but don't have to run,
For all Underclassmen it's the end of the year
But next September - we'll see ya right here.
